

## **MSU recognizes employees of the year**

BOZEMAN – Eight individuals and one team were named winners of Montana State University's 29th annual Celebrating Excellence in Service and Employee of the Year awards in a ceremony held April 19.

The university recognized two individuals in each of the four MSU service excellence standards: competence, courtesy, reliability and safety. The team award was presented to the team that best exemplified the service excellence culture in its daily work and programs. MSU's service excellence initiative aims to align the quality of the university's service environment to the education the MSU offers.
