**Salary Reduction Agreement**  
**Montana University System 403(b) Plan**

In completing this Salary Reduction Agreement to participate in the Montana University System 403(b) Plan ("Plan"), I hereby make the following certifications:

- I understand that I may choose for my contributions to be deducted from my salary on a pre-tax basis, on a post-tax basis as a Roth contribution, or in part on a pre-tax basis and in part on a post-tax Roth contribution basis.
- I request that my eligible compensation be reduced as of the pay date designated on the front of this Agreement (which cannot precede the date that this Agreement is signed), and that Montana University System remit these pre-tax contributions and/or post-tax Roth contributions, as designated by me, to the Plan on my behalf.
- I agree and understand that I must complete a new Agreement to increase, decrease, or stop my pre-tax contributions and/or post-tax Roth contributions to the Plan.
- I recognize that it is my responsibility to notify my payroll center if I terminate my employment with MUS or transfer to another campus. I recognize that my pre-tax contributions and/or post-tax Roth contributions may be stopped if I transfer to another campus without notifying the appropriate payroll center or the HR department of the campus.
- I understand that Section 403(b) of the Internal Revenue Code limits the amount that I may contribute to the Plan each year. It is my responsibility to monitor the amount I contribute per pay period to ensure that my total annual pre-tax contributions and/or post-tax Roth contributions to the Plan do not exceed the amount permitted under IRS limits as applicable each year. I understand that to avoid making excess contributions, I may need to decrease my pre-tax contributions and/or post-tax Roth contributions to the Plan by completing a new Agreement.
- I understand that this Agreement is irrevocable as to salary earned while the Agreement is in effect. However, I understand that I may terminate the Agreement at any time with respect to amounts not yet earned by completing a new Agreement and electing to stop contributions.
- I understand that MUS will reduce my eligible compensation pursuant to the terms of this Agreement only to the extent that the amount of my eligible compensation for any pay period exceeds the amount I have elected to defer in any pay period.
- I understand that MUS does not provide investment or tax advice, and that I should consult with my tax advisor or consultant if I have investment or tax questions.
